

Course Request for Class of 2023– 9th Graders

Ms. Sarah King, Class of 2023 Counselor, sarah.king@asd20.org, 719-234-2617phone; 719-234-2796 fax

Student Name: _____ Parent Email Address: _____

8th Grade School of Attendance: _____ Parent Contact Phone No. _____

Planning on playing sports in College (*must take approved classes for *NCAA requirements*)? Yes or No (circle one)

Please enter schedules in Infinite Campus before February 20th

1. **CIRCLE THE CORRECT CORE COURSE** – and corresponding course number.
2. It is recommended that all college-bound freshmen take a world language; D20 has a 2-credit (1 year) world language graduation requirement.
3. Math course requested may be changed based on the PARCC and STAR results (or other state testing results, if available), prior math class/grade and/or teacher recommendations. Placement test may be required.
4. Check Course Guide for required student course fees.
5. To participate in athletics and activities, students must always carry 5 full-credit courses.
NCAA Requirements: Please go to <http://www.ncaa.org/student-athletes/future/want-play-college-sports> for more information.

Students and parents have multiple opportunities to choose schedules that meet students' academic needs and interests. We encourage students and parents to take this process seriously and choose schedules carefully. After the initial scheduling process, schedule changes will only be made for academic misplacement, empty spaces in schedules, or failure to complete pre-requisites.

I have reviewed my student's course selections for the 2019-20 school year.

STUDENT INSTRUCTIONS FOR COURSE REQUEST FORMS

1. Students should consult with current core course teachers for the next core course level.
2. Write course requested on the *Course Request* form. Parent/guardian and student are required to sign the form.
3. Login to your IC account anytime from now until 2/20 and enter your courses. See below for step-by-step instructions.

ENTERING COURSE REQUESTS IN INFINITE CAMPUS

FIREFOX BROWSER IS RECOMMENDED

1. Go to PCHS website, Click on *Login*. Under *Students*, click on *Infinite Campus* and use your username and password to login your account.
2. Click on *Course Registration*
3. Click on *Course Search*
4. Enter *Course Name* or *Number*.
5. Select a *Course to View*. If this is the correct Course, then click on Request this Course. Repeat for 16 courses and 2 alternate courses.
6. Review and verify the list of *Requested Courses*.
7. Select *Print Request Summary* and attach the hard copy to your handwritten course request form.

16-17 Pine Creek High School

116010B Geometry

- 6 Semester Grade-Geometry Credits: 1.000

Topics consisting of Pythagorean Theorem, congruence and similarity will be further developed. Students will prove geometric theorems involving similarity, transformation, and congruence of two-dimensional and three-dimensional figures using inductive and deductive reasoning and constructions. Students will solve problems and model real-world situations involving two-dimensional and three-dimensional figures, trigonometric ratios, probability, and Personal Financial Literacy. Students who are mathematically proficient will demonstrate characteristics defined by the Standards for Mathematical Practice.
