Using the Extended Parent Portal

1) From the Pine Creek homepage, select **Extended Parent Portal** from the **Community** drop down menu.

2) Login using the same information that you use for Infinite Campus. Select a child from the list to complete the updates and agreements. **You will need to complete these steps for every child in your household.**

3) The **Registration tab** contains a convenient checklist of all the items that need to be completed. **Please review and complete every section.** The graphic below describes each step. Athletic Registration will appear here when the athletic registration window opens.
