**PINE CREEK HIGH SCHOOL EAGLE
INSTRUMENTAL MUSIC PROGRAM!!!!**

But why? You might ask...

**Well, let's see what the current
students have to say!!!**

The love of music brought us together, but it is the bonds that formed and the memories that we've made that keeps us together. It doesn't matter where you came from or what you know, you are loved anyway, in a safe place full of acceptance and support. You become part of something bigger than yourself, and in that you found a place where you will always belong. – Tabitha, junior

Joining band has helped me enhance the talent I never knew I had in myself. – Sara, freshman

I skipped out on band my freshman year and I can officially say it was the worst decision I have ever made. I joined and instantly had friends. Band is the one thing I look forward to when going. We are like a family. – Charlette, sophomore

I came to Pine Creek knowing only three people, but the band welcomed me in. – Connor, freshman

Since I have band, I always know that there is a place I can go. – Monica, sophomore

Music is a wonderful thing. It allows people to come together and create something that we can all appreciate. It's a powerful feeling that you get by just spending time with people and orchestrating something that nobody can do alone. – Alex, senior

Band gives me something to look forward to in the school day. – Heather, freshman

I've never had a conductor dress up like a chicken before! – Andy, senior

I was like you once. I was on the brink of deciding between doing band and cross country. I only wanted to devote to one, so I chose band in hopes of gambling that I would like it. I made the right decision. Without band I am a captain without his ship, a Timon without his Pumba. Guys, I am a prince without his princess without band. It changed my life, and will change yours too. – Kyle, junior

Band keeps me sane! – Sarah, sophomore

Orchestra

The orchestra is a wonderful ensemble that meets every other day. We play a wide variety of orchestra music and small ensemble music such as quartets, trios and solos!

Concert Band/Symphonic Band

After marching season ends in November, the class becomes a concert band! We play a winter concert all together in December. After that concert, students can choose to audition for symphonic band if they would like to. The symphonic band plays more difficult music. If they would not like to audition, no problem! They can have a great time in our concert band!!
