

Ten things you should know to take French 2

1. **Greeting** – Can you say “Hello”, “Good-bye”, “How are you?”, and answer accordingly?
2. **Numbers** – Can you count from zero to 100?
3. **Food** – Can you express that you are hungry or thirsty? That your friend or family member is hungry or thirsty? Can you tell a waiter what you would like to order and ask how much it costs?
4. **Time** – Can you tell time in French, list the days of the week and the months of the year?
5. **Weather** – Can you express what the weather is like in all the seasons?
6. **Regular verbs** - Can you use regular er verbs to express what you or your friends and family do/don't do, what you like to do and what you do not like to do?
7. **Irregular verb** – Can you use the correct form of the verbs “être” and “avoir” ?
8. **Questions** – Are you able to use questions words like “When?, What?, How?, With whom? etc. to ask your friends and family full questions about where they live, what they like, with whom they do things? Can you answer these types of questions as well?
9. **Adjectives** – Are you able to describe yourself, friends and family members using the correct form of the French adjectives and the correct form of the verb “être”?
10. **Aller** – Can you use the verb “aller” to tell where you are currently going or where you plan to go in the immediate future? Can you explain where other people are going as well?

If you can do ALL these things, then you are ready to take French 2!!
Congratulations!!
