

Academy School District 20

Open enrollment will be April 20, 2015 through May 1, 2015

There will be a second health plan option available to you – KP Select

Here's a few simple things you can do now to prepare:

- Check kp.org/locations to make sure your doctors are in the new network
- Transition all maintenance medications* to Kaiser Permanente Mail Order Pharmacy service – your plans will include a venue change
- Download the Kaiser Permanente mobile app from the App Store or Google Play – locate doctors, urgent care, and more – on the go

If you have questions about the KP Select plan or the pharmacy venue change, please contact Kaiser Permanente at:

- **719-867-2132** and leave a message
- Send an email to ASD20.OEKaiser@kp.org

(Please note the phone number and email will be available beginning 4/1/15 thorough 5/1/15.)

*Maintenance medications are taken regularly; examples are birth control, cholesterol, thyroid, or diabetes medications.
To inquire or sign up for mail order service, call **1-866-523-6059**, weekdays, 8 a.m.-6 p.m.
