- First Aid & CPR (Optional two year Certification - \$22.95)
- Mental Health
- Development and Delivery, STIs and Birth Control
- Tobacco, Alcohol, and Drugs
- Nutrition

Grading Scale: (Grades will be updated in IC weekly)

100-90 A

89-80 B

79-70 C

69-60 D

59 Below F

*Students will be given one day for every day absent to complete make-up work. If a test was assigned before the student's absence, they are expected to take the test or quiz the day they return to class.

Classroom Supplies:

Notebook or folder, lined paper, and pencil. One box of Kleenex for the classroom.

Classroom Expectations:

Be to class on time and prepared.

No electronic devices including cell phones, mp3 players, hand-held video games, iPad games, etc. may be used during class time.

Homework:

Late assignments will not be accepted. Many assignments can be started and/or completed in class if student is on task.

Throughout the semester, parents can access student grades from the Infinite Campus website. Please email me at any time with questions about grades or assignments.

Extra Credit Policy:

A student may earn up to 10 points of extra credit weekly by turning in one of two optional extra credit assignments. Only four assignments will be accepted throughout the semester. Students at 100% or more may not turn in extra credit.

Academic Dishonesty:

Honesty and integrity are two of the Cornerstones of Creek Character, and as such, we expect all Pine Creek students to uphold these values. Grades and learning are only valid when students engage in their studies honestly and demonstrate integrity in following assignment guidelines and the appropriate citation of source material. Plagiarism (failing to properly acknowledge source in any work) and cheating (attempting to aid in the attempt to receive underserved credit or gain an unfair advantage) violate the Academic Honesty Code of Conduct.
